## STORAGE AND DISPOSAL

Store in the closed, original container in a cool, well-ventilated area. Do not store for prolonged periods in direct sunlight.

Triple rinse containers before disposal. Add rinsings to spray tank. Do not dispose of undiluted chemicals on site. If recycling, replace cap and return clean containers to recycler or designated collection point.

If not recycling, break, crush or puncture and deliver empty packaging for appropriate disposal to an approved waste management facility. If an approved waste management facility is not available, bury the empty packaging 500 mm below the surface in a disposal pit specifically marked and set up for this purpose clear of waterways, desirable vegetation and tree roots, in compliance with relevant Local, State or Territory government regulations. Do not burn empty containers or product.

For Refillable containers: Empty contents fully into application equipment. Close all valves and return to point of supply for refill or storage.

## SAFETY DIRECTIONS

Repeated exposure may cause allergic disorders. May irritate the eyes and skin avoid contact with eyes and skin and when opening the container and preparing spray and using the product and wear cotton overalls buttoned to the neck and wrist (or equivalent clothing) and elbow-length chemical resistant gloves. In addition wear goggles when preparing product for use. Wash hands after use. After each day's use wash gloves.

## FIRST AID

If poisoning occurs contact a doctor or Poisons Information Centre. Telephone: Australia 13 11 26. If swallowed, do NOT induce vomiting. Give a glass of water.
